

Company Description:

Well known in the construction industry for the quality of its achievements and its 40 years of experience, DIVCO has made a solid name for itself in Eastern Canada's construction industry. The large number of Office, Industrial, Institutional, Retail, and Commercial projects as well as Major Renovation and Restoration projects has allowed the company to develop its unique approach based on flexibility, proactivity and creativity.

Exceeding our clients' expectations is, without question, our primary commitment.

We are looking for talented people willing to help continue our growth.

Job Description: **PROJECT MANAGER**

Under the supervision of project director, you will have the following responsibilities:

- Manage construction projects
- Coordinate the professional and the sub-contractors
- Ensure customer satisfaction
- Keep project documentation updated
- Monitor the work schedule
- Responsible for billing and managing changes
- Conduct site meetings, etc..
